Blanco *Orgánico*

The purest voice of the highland agave — bottled the moment it leaves the copper still. Crystalline, mineral, unmistakably alive.

TASTING NOTES

NOSE	<i>Fresh cut agave, lime zest, white pepper, wet river stone.</i>
PALATE	<i>Crisp and bright — citrus peel, green herb, a clean mineral thread.</i>
FINISH	<i>Dry, clean, long. A soft warmth that lingers.</i>

Origin — Los Altos de Jalisco, 2,030 m elevation. Agave grown organically in iron-rich red soil, hand-harvested at full maturity by our *jimadores*. Cooked slowly in traditional brick ovens, naturally fermented in open oak wooden vats with wild yeasts, and twice-distilled in small copper pot stills. Water drawn from a 400 meter natural well on our own land.
